Per [redacted], Bill Kotopish will take lead in responding to hearing request and plans to coordinate with NSA, DIA, and rest of Intel Community to have spokespersons present. Has been decided with Committee that two requests in letter will not be addressed: collection and budget, and part of the last request because we are not the correct Agency to respond. Hearing date is now 7 April.

Mr. Robert Gates
 Acting Director
 Central Intelligence Agency
 Washington, D.C. 20505

Dear Mr. Gates:

ILLEGIB

The purpose of this letter is to request you or your designee to testify at a closed hearing before the Task Force on International Narcotics Control on Tuesday, March 31 at 2:00 p.m. in Room 2200 Rayburn House Office Building. The hearing will focus on the narcotics intelligence process across the U.S. agencies involved in international narcotics enforcement. In this regard, we would appreciate the testimony of the Central Intelligence Agency regarding the following subjects:

- an overview of the CIA's narcotics intelligence collection process;
- how the Agency's narcotics intelligence assets are organized, with special emphasis on interagency coordination;
- how CIA information would feed into the proposed All-Source Intelligence Center, progress toward that goal, and the Agency's role within such a system;
- the budget for CIA's intelligence activities, and;
- potential problems encountered in effectively prosecuting United States persons on drug charges using operational or tactical intelligence gained by the various Federal agencies, with specific examples, if possible.

Thank you for your attention to these matters, and we look forward to seeing you on the 31st.

Sincerely yours,

Lawrence J. Smith
 Chairman
